

## Directions

### From I-95 North

Exit I-95 at State Road 836 West (Exit 3A). Stay in far right lane and exit immediately on NW 14th Street. Continue straight through light crossing Bob Hope Road. Turn right into Dominion Towers Parking Garage (across from Shops of Civica). After parking, take the elevators on the north side of the garage down to lower level. You will be exiting the garage on NW 14th Terrace. The Diabetes Research Institute is across the street and to the right. If you are only dropping someone off, go to the circular driveway and overhang of the DRI on NW 10th Avenue.

### From I-95 South and East (I-395)

Exit I-95 at State Road 836 West (Exit 3A). Exit at NW 12th Avenue and turn right. Turn right on NW 14th Street. Continue on NW 14th Street heading east. Pass light at NW 11th Avenue. Make next left into Dominion Towers Parking Garage (across from Shops of Civica). After parking, take the elevators on the north side of the garage down to lower level. You will be exiting the garage on NW 14th Terrace. The Diabetes Research Institute is across the street and to the right. If you are only dropping someone off, go to the circular driveway and overhang of the DRI on NW 10th Avenue.

### From State Road 836 and Points West

After Miami International Airport, stay in right lane. Exit at NW 17th Avenue (North/Hospitals/Civic Center). Upon exiting ramp, turn right and go over bridge. Make the first right after bridge onto NW North River Drive. Immediately enter the left lane and turn left at NW 13th Terrace. The next traffic light is forked. Stay in the center lane going straight and you will be on NW 14 Street. Immediately after the light at NW 11th Avenue, turn left into Dominion Towers Parking Garage (across from Shops of Civica). After parking, take the elevators on the north side of the garage down to lower level. You will be exiting the garage on NW 14th Terrace. The Diabetes Research Institute is across the street and to the right. If you are only dropping someone off, go to the circular driveway and overhang of the DRI on NW 10th Avenue.

### Returning to I-95 Northbound

Make a right turn onto NW 14th Street when exiting the garage. Get into the left lane, and make a left on NW 12th Avenue. Get into the far right lane immediately and enter SR 836 East. Move into the far left lane quickly, and follow the signs to I-95 North.

### Returning to I-95 Southbound

Make a right turn onto NW 14th Street when exiting the garage. Get into the left lane, and make a left on NW 12th Avenue. Get into the far right lane immediately and enter SR 836 East. The entrance to I-95 South is via the two right lanes.

### Returning to State Road 836 Westbound

Make a right turn onto NW 14th Street when exiting the garage, and continue past the intersections at NW 12th Avenue and NW 14th Avenue. Bear towards the left onto NW 13th Terrace, and make a right on NW North River Drive. Go onto the ramp and over the bridge. Continue to the entrance to SR 836 at NW 17th Avenue.
